## Activities that Both Occupations Have in Common

Similarity of Focus Occupation to Associated Occupation: 86

Focus Occupation: Machine Feeders and Offbearers (53-7063)

Associated Occupation: Bindery Workers (51-5011)

| Work Activities   | Exclusivity of Activity |
|---|-------------------------|
| Clean equipment or machinery                                      | 20                      |
| Clean rooms or work areas   | 30                      |
| Examine products or work to verify conformance to specifications  | 15                      |
| Load or unload material or workpiece into machinery               | 34                      |
| Load, unload, or stack containers, materials, or products         | 37                      |
| Maintain production or work records                               | 19                      |
| Move or fit heavy objects   | 8                       |
| Perform safety inspections in manufacturing or industrial setting | 33                      |
| Use hand or power tools   | 2                       |

Not all positions in these occupations will necessarily perform all of the listed activities. The exclusivity rating is an indication of how unique the activity is amongst all occupations. The maximum rating is 100. High scores indicate that only a small number of occupations engage in that activity.
